Thank you to those businesses on Washington Street for leaving your porch/outdoor lights on - it looks great! Very helpful in lighting up our town at night until we get the new street lights installed later this year! If you haven't started leaving on your porch/outdoor lights, please do so! Thank you!

We regret any inconvenience this construction project causes your business, as well as your customers/clients. The Town Council has approved free parking in the metered spaces in the two public parking lots (Liberty Street Parking Lot and the Methodist Church Parking Lot) for the duration of construction. It is essential that these spaces be left free for visitors, so please communicate this to your employees. In addition, the National Sporting Library & Museum has graciously made their parking lot available for businesses' customers (no employee parking please).
